

"JAZZED UP AND READY FOR BUSINESS!"

February 1, 2010

Dear AMAC Member:

The 26th Annual Airport Business Diversity Conference will be held June 19, 2010 through June 22, 2010 in New Orleans, Louisiana at the Sheraton, New Orleans. The Airport Minority Advisory Council (AMAC) is the nation's only airport trade association that advocates the inclusion of minorities and women in airport contracting and employment opportunities. AMAC's mission is simple- to create success for minorities and women in the airport industry. In 1997, the AMAC Board of Directors established the Airport Minority Advisory Council Educational and Scholarship Program (AMACESP), a 501(c) (3), as its sister organization to benefit future aviation professionals.

It my pleasure to extend this special invitation to you to become involved with the AMAC 26th Annual Conference as a Silent Auction Donor to help support the AMACESP Scholarship Fund. AMACESP accomplishes its mission by offering scholarships, conducting educational forums, seminars, research, as well as educating the public on air transportation, airports, airport operations and facilities management.

As a contributor to the Silent Auction you are helping AMAC to develop educational programs designed to substantially increase the nationwide pool of future women and minority aviation professionals and, to contribute to the public's understanding of the aviation industry.

It's Easy To Give!

To reach our goal of \$50,000, we need your commitment to donate a gift certificate or other items for the auction.
