

The Airport Minority Advisory Council (AMAC) would like to extend an invitation all conference registrants to participate in AMAC's annual **DBE Speed Dating Session**, to be held on Sunday, **June 20, 2010** from 1:00 PM to 5:00 PM at the **Sheraton New Orleans Hotel** located at 500 Canal Street. The matchmaker is one of many activities that AMAC will be hosting to increase business opportunities for minority and women-owned enterprises during its 26th Annual AMAC/FAA Airport Business Diversity Conference and Exposition, June 19-22, 2010.

The DBE Speed Dating Session will afford major organizations (corporate, airport, concessionaires) and small businesses (architectural, engineering, construction, consulting, professional services, and concessions) the opportunity to meet and establish meaningful relationships. Organizational representatives will be scheduled to meet with small businesses that have been pre-screened to meet specific requirements.

To become eligible to participate, you must register for the conference. All M/W/DBE suppliers must complete the Company Profile which will then be circulated to the participating majority organizations for review and selection. The information received will allow AMAC to organize the matchmaking session in a manner that makes the most effective use of all participants' time. **Deadline for completing and returning the Profile is Friday, April 30, 2010.**

Corporate, airport, government and concession representatives interested in participating may sign up by sending an email to boliver@mbemag.com by **Friday, April 30, 2010** with the contact name, company name, phone, fax, email and website.

We encourage you to take advantage of this opportunity, as well as other opportunities associated with our 26th Annual AMAC/FAA Airport Business Diversity Conference and Exposition.

For more information on the DBE Speed Dating Session, please contact me at (310) 294-3780 or via email at boliver@mbemag.com .

We look forward to your participation and seeing you in N'Awlins!

Sincerely,

Barbara Oliver
